**Gill Worgan** MBA PGDip BA Honours

## **Extra Support and Tuition Fund**

**For the 2020/2021 academic year the College is in receipt of funding to mitigate the disruption to learning arising from coronavirus (COVID-19). The funding is provided to enable small group tuition for students who will benefit most from additional time with teachers. The additional learning will focus primarily on English, Maths and any other subjects where learning has been particularly disrupted and students need to catch up.**
